Tour of new facilities at St. Fagans National History Museum

10.3am on Thursday 29th November 2017

St. Fagans National History Museum is currently in the process of a £30 million redevelopment project funded by the Heritage Lottery, the Welsh Government and many others.

The Main Building has been transformed. Don't miss this unique opportunity to see the work that has been carried out as part of the project. We will enter via the new atrium, and be given a tour by a member of staff of the new facilities. As well as a new shop and new café, the new facilities also include the Weston Centre for Learning with activity spaces and a lecture theatre providing eight times more space for schools, family and adult learners.

As well as a tour of the new facilities we will be shown the plans for the new exhibition galleries that will be opening later next year.

The tour starts at 10.30am and will last about two hours. Please meet inside the atrium.

This event is free, but please email chair@cardiffcivicsociety.org to confirm your attendance, or return slip below to the Chair, Nerys Lloyd-Pierce, 94 Ryder Street, Pontcanna, Cardiff, CF11 9BU.

This event is limited to 20 people and is on a first come first served basis. If after booking you are unable to attend please let us know so that your place can be allocated to someone else. If oversubscribed we will try and arrange a further tour later in the year.
